

27th July 2012

To whom it may concern,

Two years ago we made the decision to re-locate our business to DBV. Adrian and his team bent over backwards to help make the move pain free, nothing was too much trouble.

In the 18 months we have been resident we have been extremely satisfied with the office space and the service provided by DBV.

I would wholeheartedly recommend DBV as a great place to locate your business.

Roland Schaack
