RE: Dunston Business Village - Testimonial

Dunston Business Village makes every day work life more pleasurable with its beautiful setting. All facilities are modern including kitchen facilities and bathrooms including showers with the imminent arrival of onsite café. The development is constantly improving offering more and more. There is a wide range of technical support and the security and CCTV onsite provides peace of mind. The support offered by DBV is fantastic and as you walk around the site everyone seems happy all of the time. A truly lovely setting and atmosphere for any business to re-locate to.

Yours sincerely,
